

The Past, Present, and Future of Kids' Camp

The following is very important news regarding our Kids' Camp for the Church of God in Kansas (Grades 3rd, 4th, & 5th).

For the past... with great joy we celebrate the many great things God has accomplished in the lives of so many campers over the decades and we are also very grateful to those who volunteered to make these camps possible.

For the present... as we have prayerfully and honestly evaluated the trends of the last several years, the facts clearly communicate our Kids' Camps have been in decline. Despite the valiant efforts of a few who have in excellence, lovingly given of themselves to ensure these camps have taken place and because of many factors existing in our present culture, in 2012 we only had a total of 37 children. Of this total, 35 children came from 2 of our larger churches with only a total of 4 churches participating. This year we only had a total of 26 children participate, 22 from the same 2 larger churches, with only 3 churches participating.

For the future... for 2014 we will suspend our Kids' Camp program, after which time, we will then evaluate to see if this camp should continue. Therefore, if you have any positive and constructive thoughts and also would be willing to help implement your ideas, it would be great to hear from you.
