Friends,

Last year the board of elders requested that an event planning team be organized to plan ministry events for the state of Kansas and Oklahoma Panhandle. After several meetings they determined to do something different in place of our regular State Convention. The consensus was to have a retreat for ministers and spouses (not to exclude single persons) with the intent of providing a more relaxed setting and build relationships. Here is the basic retreat information, with more details to follow:

Pastors and Spouses Retreat

Cost: Room cost is \$55/per person per night for a room with two persons; and \$45/per person per night for a room with one person. The planning team and board of elders have agreed to scholarship one night of room cost for attendees. Therefore, attendees will have only one night of room expenses.

Meals: 3 meals at the facility at a cost: (see page 2.)

\$26 – single

Theme: Living at Godspeed

This is a resource that utilizes video clips that deals with the heart of ministry and what it means to be a pastor. Discussion guides are provided for break out group discussions. The discussions will be relevant for pastors and spouses. The videos will include clips from N. T. Wright (world renown scholar), and Eugene Peterson (pastor and author of many books). The contents will not disappoint.
